

EVENTS AND PRIVATE HIRES

ABOUT

The venue

Situated close to the heart of the city, only a few minutes' walk from the train station and bus station with parking facilities close by, we are perfectly located for any occasion.

Jalou is a fabulously transformed Grade II Listed Former Church building now home to some amazing cocktails, great vibes and the perfect place to bring your party to life

Set over 2 floors we have the main room at ground level and the balcony area.

The **BALCONY**

The balcony area can be hired privately for a range of celebratory parties and events, from team nights out to Christmas parties and after parties.

With a private bar, VIP booth seating and light up LED colour changing tables, this floor can accommodate up to 75 people and has its own privately staffed bar. This means you could hire this full area for your event, privately on a weekend, availability dependant.

You can even freely move between the balcony and the main ground floor with a VIP access wristband to ensure exclusivity.

MAIN ROOM

ground floor

The main ground floor space boasts a large LED multi colour changing bar, with seating areas and dancing space in front of the DJ and under the iconic LED chandelier.

The room is still ideal for smaller parties to hire because it is intimate enough to generate a great atmosphere even with as little as 60 people but can host up to 225.

With a total capacity of 300 for the whole venue over the two floors.
